

## Apples and Pumpkins

by Anne F. Rockwell (JE Rockwell)

"When red and yellow leaves are on the trees," a little girl goes with her parents to a farm where they pick apples and choose "the best pumpkin of them all." Back home, she helps to carve a grinning jack-o'-lantern face on the big orange pumpkin, which guards their doorstep on Halloween night while her mother hands out shiny red apples and she and her father go trick-or-treating with the neighborhood ghosts and goblins. Bold, autumn-colored paintings and a simple but lively story capture a little girl's joy and satisfaction as she shares in the excitement of the fall season.
