Who is Erin Hunter?

No one! “Erin Hunter” is a pseudonym.

“Pseudonyms” are fake names people use when they write books. Similar to the famous *Nancy Drew* books, several different authors helped write the *Warriors* books.

The authors of *Warriors* chose to use the name “Erin Hunter” so the series would be shelved together and easier for you to find.

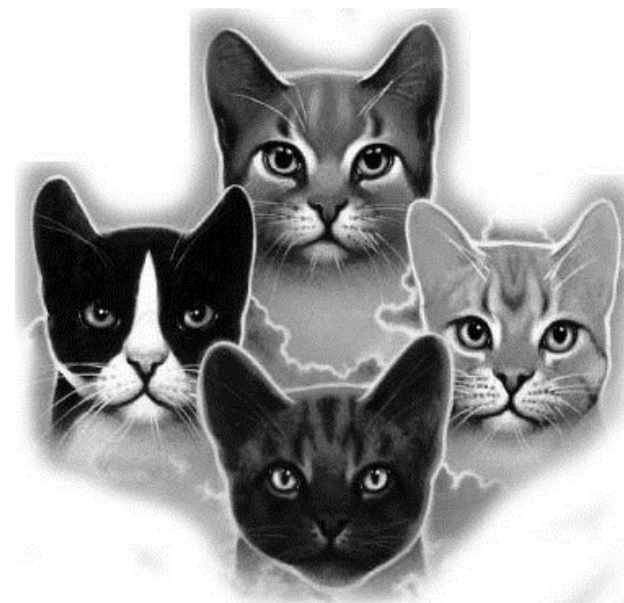

In this brochure, we have listed the author’s real names, but in our library catalog and on our shelves, you’ll usually find the books under “Erin Hunter.”
